EDUCATION

Azerbaijan State Oil and Industry University
Bachelor in Computer engineering

Baku, Azerbaijan
Expected May 2027

RELEVANT EXPERIENCE

Azersilah (AzSimX)
Software Developer

Baku, Azerbaijan
Feb 2026 – Present

- Develop military simulations in Unity with advanced physics modeling.
- Collaborate with hardware teams to integrate controllers and sensors.
- Contributed to successful prototype rollout used by agency for internal training.
- Sensor & Controller Integration, Hardware-in-the-Loop (HiL), I/O Protocols.
- Monitored and optimized simulation performance, identifying memory leaks and ensuring stable frame rates (FPS) in complex 3D environments.
- Conducted rigorous scenario-based testing to validate real-world fidelity and accuracy of physics models within the military simulation.

Azersilah (AzSimX)
Software Developer Intern

Baku, Azerbaijan
Aug 2026 – Nov 2026

- Develop military simulations in Unity with advanced physics modeling.
- Collaborate with hardware teams to integrate controllers and sensors.

DarkNight studio (Self-employed)
Team Lead

Baku, Azerbaijan
Dec 2024 - July 2025

- Leadership & Team Management
- Project Management & Production
- Technical & Creative Direction
- Strategy & Business Impact

PROJECTS

- Potato bird: <https://play.google.com/store/apps/details?id=com.manogames.potatobird>
- Haunted step: <https://darknightstudio.itch.io/haunted-step> (Team Lead)
- Aurora of helios: <https://darknightstudio.itch.io/aurora-of-helios>
- The blood of legend: <https://darknightstudio.itch.io/the-blood-of-legend>

ACTIVITIES & AWARDS

- Turkic gamejam 2025: Participant
- Gamepons gamejam 2025: Participant
- Gamesummit 2025: Won 4th place among 18 teams.

ADDITIONAL INFORMATION

Languages: Azerbaijani (native); English (fluent); Turkish(Native)

Skills

Technical: C#, Java, Unity 3D/2D, Git, Github, Gitlab, OOP, SOLID principles, Design Patterns, Jira, Trello.

Soft: Team leadership, Decision Making, Cross-Functional Collaboration, Analytical & Critical Thinking, Adaptability & Flexibility
